

Starting at My New School!

School name

At my new school, I will walk through the gate where I go into my school.

My teacher and the other teachers at school will look after me while I am at school. I can ask my teacher to help me if I need help. My teacher cares about me and likes to know about me.

I can have a lot of fun at school and learn a lot of things. I might see some old friends there and make some new friends.

Sometimes I might miss my family while I am at school. Some children might even cry a little bit because they miss their family but the teachers will help them to feel better.

I wear my uniform to school. I wear my hat outside to protect me from the sun.

I have a school bag with my morning tea, lunch, and drinks inside. My name is on everything.

I eat my morning tea and lunch at school. I eat healthy food to help me feel good and to grow strong.

I know how to do a lot of things at school because I have done them before. I draw, paint, paste, count, play, listen to stories and sing songs at school.

There are tables and chairs in the classroom and a mat where all the children can sit to listen to the teacher read us a story or to help us to learn new things. We learn about reading and maths and science and lots of things.

I play in the
playground. It is fun
to talk and laugh and
play with my friends
in the playground at
recess and lunch
time.

There are big kids at school. The children in year 6 are the oldest and they look really big. Sometimes some of these big kids can be your friend or buddy at school and help you and play with you.

Another thing that you need to know is that there are school days, and weekends and holidays. Monday, Tuesday, Wednesday, Thursday and Friday are school days and Saturday and Sunday are the weekend days. You don't go to school on the weekend or in the holidays.

My school has a special room called a library with lots of wonderful books. I can take some books home in my library bag so my family can read them with me.

There are toilets at my school. The teachers teach all of the new children about where the toilets are and how to use them. I am glad about that because it is very important to know about the toilets. There are toilets for the boys and toilets for the girls. I always flush and wash my hands after I use the toilet.

All of the children have someone who picks them up after school. The teachers look after me until I am picked up. Some children might go home with their mum or dad or grandma or another person who looks after them. Some children might go to afterschool care and then get picked up from there and go home after that. Some children even go home on a bus.

When I am going
home I say
goodbye and
smile and wave
to the teachers
and the other
children.
